# NEW YORK CITY

**When you think of a world-class city, New York immediately springs to mind, and for good reason!**

Truly a city of neighborhoods, from the residential Upper West Side to the hip and trendy SoHo to the Swanky boutiques on Fifth Avenue to the antique, craft and gourmet food stores in Greenwich Village no two are the same... and taken as a group they provide the city with an amazing diversity and texture. No trip to New York is complete without a trip to see the bright lights of Times Square. Take a selfie set against the Broadway show billboards and giant advertisements that have made this spot such a tourist destination.
